### CALL FOR AWARDS NOMINATIONS

#### **Mentorship in Cultural Neuropsychology Award**

The Mentorship in Cultural Neuropsychology Award recognizes a neuropsychologist who has made significant contributions to the development of students, trainees, and/or junior colleagues. This award is organized and administered by the Hispanic Neuropsychological Society (HNS) Awards and Fellows Task Force.

The Awards and Fellows Task Force shall establish the finalists for the Mentorship in Cultural Neuropsychology Award after considering all neuropsychologists who were nominated. Finalists for the award will be determined by a process whereby each member of the Awards and Fellows Task Force independently reviews each nominee's submission then ranks each nominee based on the nominee's impact on mentoring students, trainees, and/or junior colleagues within cultural neuropsychology.

#### Procedures:

##### 1. Solicitation:

The award details and nomination process shall be featured on the HNS website, the HNS listserv, during HNS Convention and Meetings, and in other appropriate venues/outlets.

##### 2. Eligibility:
